

SPLASH PASS

Your Consistency Deserves a Reward!

At Watersafe Swim School, we know that consistency is the key to building confident, independent swimmers. That's why we're excited to introduce Splash Pass. Families who remain continuously enrolled from **September 1, 2026-January 31, 2027** will earn Splash Pass status.

As a Splash Pass family, you'll enjoy:

- **Extended All-You-Can Swim access from February 1, 2027-April 30, 2027**
- Additional opportunities to practice skills, build confidence, and accelerate progress

How It Works:

When you'd like to schedule an additional lesson, simply call our office and let us know you'd like to use your SplashPass benefit. If space is available, we'll happily schedule your swimmer for an extra lesson at no additional charge. Like All-You-Can Swim, lessons are booked same day starting at 8am.

Eligibility:

- Earn Splash Pass by remaining actively enrolled September 1, 2026 – January 31, 2027.
- Splash Pass is earned per student, not per family.
- Students must remain actively enrolled to continue using Splash Pass benefits.

Why Stay Consistent?

The swimmers who make the greatest progress are the ones who continue practicing throughout the fall and winter months. Splash Pass rewards families for their commitment while giving swimmers even more opportunities to strengthen their skills before summer arrives.

STAY ENROLLED. EARN SPLASH PASS. SWIM MORE. PROGRESS FASTER.
